

## Conferences in VLSI Area

Below are the several conferences where you can publish papers in VLSI area. The websites are not provided as they change every year. A quick search on the internet will provide you the URL for the conference. If you like to share information on a conference not listed here, please let me know at: [yelamarthi at ieee.org](mailto:yelamarthi@ieee.org)

1. IEEE International Symposium on VLSI Technology
2. IEEE International Symposium on VLSI Design, Automation and Test
3. IEEE International Symposium on Computer Architecture
4. IEEE Design Automation Conference
5. International Workshop on System Level Interconnect Prediction
6. IEEE Radio Frequency IC Symposium
7. Symposia on VLSI Technology and Circuits
8. IEEE Symposium on Low-Power and High Speed Chips
9. IEEE International Workshop on SOC
10. IEEE PhD Research in Microelectronics and Electronics Conference
11. International Test Conference
12. International Mixed-Signal Testing Workshop
13. Euromicro Conference on Digital System Design
14. IEEE Mixed Design of Integrated Circuits and Systems
15. International Symposium on Low Power Electronics and Design
16. European Conference on Circuit Theory and Design
17. Symposium on High Performance Chips
18. Symposium on High Performance Interconnects
19. International Workshop on Power and Timing Modeling, Optimization and Simulation
20. Electronic Circuits and Systems Conference
21. Symposium on Integrated Circuits and Systems Design
22. IEEE Workshop on Signal Processing Systems
23. European Conference on Circuit Theory and Design
24. European Solid-State Device Research Conference
25. Global Signal Processing Expo & Conference
26. IEEE International Midwest Symposium On Circuits and Systems
27. IEEE Custom Integrated Circuits Conference
28. International Conference on Computer-Aided Design
29. IEEE International SOC Conference
30. IEEE/ACM International Symposium on Microarchitecture
31. The IASTED International Conference on Circuit, Signals and Systems
32. National Microwave Symposium
33. International Symposium on System-on-Chip
34. IEEE International Analog VLSI Workshop
35. International Conference on VLSI Design
36. Asia and South Pacific Design Automation Conference
37. International Symposium on FPGAs
38. IEEE International Solid-State Circuits Conference
39. International Symposium on Quality Electronic Design
40. IEEE International Symposium on Circuits and Systems
41. Great Lakes Symposia on VLSI
42. IEEE Radio Frequency IC Symposium
43. IFIP International Conference on VLSI
44. IEEE Asia-Pacific Conference on Advanced System Integrated Circuits
